My Travel Diary

Hi, I am Armaan and this is where I write down the trips I have gone on so far. It is not fancy, just a place to keep the memories before I forget them.

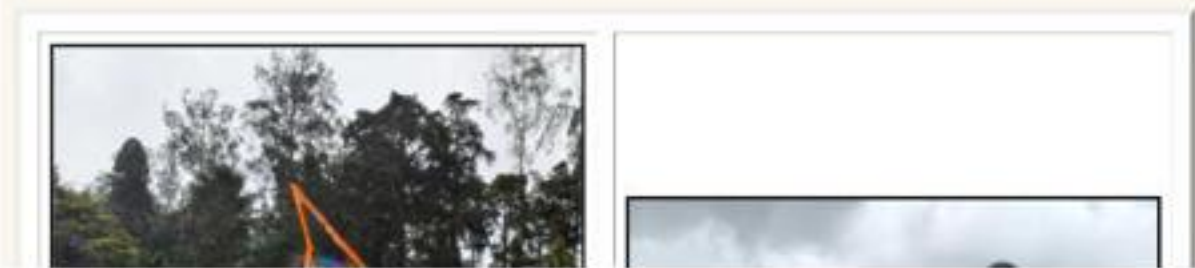

(taken at the Ooty rose garden, the whole town is on the hill behind me)

Diary Entries

Ooty - my favourite so far

We went up to Ooty during the semester break. It was **really cold** in the morning and the tea gardens looked *very green*, almost fake. The bus ride up the hills made me a little sick but it was worth it.

We stopped at the park after the garden and someone was selling bubble wands, so obviously I had to try the giant one. Also ended up messing around with a friend before the bus back.

Kochi

Kochi was a short one, mostly just walking around Fort Kochi and eating a lot of seafood. Did not expect the backwaters to be that calm, it was like glass.

Munnar

This trip almost got ~~cancelled~~ postponed because of rain but we still went. Tea plantations everywhere you look, and it was freezing at night. *Definitely going back someday.*

- Ooty Hill station, known for tea and the toy train
- Kochi Coastal city, known for the backwaters and old fort area
- Munnar Hill station, known for tea plantations and cool weather

Things I always pack

- Power bank
- A jacket even if it says it will not be cold
- Snacks for the bus
- My notebook to write the diary entries in

How I plan a trip

1. Pick the place and check the weather
2. Book the bus or train tickets
3. Make a small packing list
4. Go, and write about it after
